Dear Parents

We want to celebrate the success of not just pupils who are in the school now but those who have left and gone on to do interesting and great things. We hope this will then inspire the current children.

If you know of anyone who has now got an interesting job or pastime could you ask them if they would be happy to provide a photo and some information on what they do and then pass this on to school.

I really hope we get a good response to this so I thank you in anticipation.

Yours sincerely

Head Teacher
