Head Teacher: Melanie Gartell

Dear Parents,

As we have come to the end of this long and busy term I would like to thank you all for your support in helping your child to 'be the best they can be'. I would like to extend a huge thanks to all the staff for their care and hard work with the children this term. We wish Miss Denham well in her new post and look forward to meeting new faces at Summerfields after Easter.

Thinking ahead to the summer term there are two reminders from me. The first is about punctuality in the mornings, the children are welcome into the building from 8.35am and must be in by 8.45am otherwise they will be marked late. Some children are regularly missing minutes and this is affecting their ability to settle and they are missing out on this important learning time. Having said this, the outside area is not supervised until 8.30 so children should not arrive too early!

Secondly, If you are buying new uniform for the summer term during the holiday, please remember Summerfields school dress uniform is yellow. The uniform changed two years ago and it should now just be this one colour for dresses. Shoes, not sandals or trainers are also on the school uniform list.

We have posted a useful resource under the information tab on our school website with information for parents regarding SEND. This is a really helpful resource, written by the local authority and is well worth a read. If you were unable to book a parents evening appointment please enquire at the school office or on dojo after half term to do this.

I would like to wish you all a lovely Easter break and look forward to seeing the children keen to learn, on time and back to full health on Monday 15th April. Mrs Gartell

What has been happening.....

This week our Table Tennis players who had qualified to the next round, went to Smallbrook to compete again. They behaved impeccably and came third. They were very happy with their medals.

Well done to everyone who has been walking, scooting or cycling to school.

As of Wednesday, we have recorded over 723 journeys - giving us a ranking of 352 out of 614 schools.

WE have also earned the following badges:

Our joint winners so far are Y1

Well done to all of you who have been able to take part!

Thank you to our House Sports Captains - Devlin and Ralph and our Junior Travel Ambassadors - Isaac and Ayrton for collecting

Today was an emotional day for a lot of us, we said goodbye to Miss Denham who has worked here for 12 and half years. Classes presented their goodbye cards in assembly.

We wish you all the best for your new job at Osborne House.

We are excited to welcome Mrs Bowbrick into Year 2 and know you will all make her feel welcome.

We will also welcome Georgia Saunders and Sharon Spencer after Easter working as Learning Support assistants.

A Parent's Guide to Cyberbullying

scan the QR code with your phone's camera for Parent's Guide on how to help keep your children safe online

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.

What is an early help assessment?

Sometimes children and their families might need some extra help, this might come from a range of different organisations, all working together.

An Early Help Assessment is a way of noting down what is going well in your family, what the worries are and what needs to happen to help things improve. Together you will then agree the best way to make this happen; this will be written into an Early Help Assessment Plan.

You might need help in one or more of the following areas:

- School, education or work based training.
- Home and life relationships.
- Physical and or mental health.
- Work, finances or housing.
- Domestic violence or abuse.
- Crime or anti-social behaviour.

If you have worries about your family, then ask a professional (e.g your health visitor) who's working with you or your children for an Early Help Assessment. Also a professional connected to your family who has concerns may suggest to you that together you do an Early Help Assessment to see how your family can be supported.

Information for parents about how an early help assessment works.

What will happen?

Your lead professional will go through these steps with you:

Step one - You will talk to the professional (e.g school Family Liaison Officers, Health Visitor or Early Years practitioner) working with you about what is going well in your family, what the worries are, and what needs to happen to improve the situation. The professional will contact Children's Reception team to gain permission to proceed and check the assessment is at the right level of support and that there isn't another assessment already in place.

Step two - Your professional will then complete an Early Help Assessment with you, this will be around your whole family's strengths and worries. Your professional will get a team of people together, who will help plan how best to support your family, this will remind everyone about what is going to happen, how it will be done it and by when.

Step three - You can choose who you want to be your Lead Professional (LP). They will support you and make sure the team keeps their promises.

Step four - Your plan will be reviewed regularly (every 6 - 12 weeks) to make sure that things are improving for your family. Professional (LP). They will support you and make sure the team keeps their promises.

The whole process will take a little time, but we can only do it with your permission.

In addition to an Early Help Assessment, your Lead Professional can also make a referral for your family to receive a lot of hands on support from the family support workers in the **Supporting Families Programme** for up to 12 months.

If you would like to request an Early Help Assessment please speak to your Midwife, Health Visitor, Early Years setting, School or any other organisation that might be helping you at the moment.

If you are concerned about a child's safety or welfare please contact Hants Direct on **0300 300 0117**. If a child is in immediate danger or at serious risk of harm, you are advised to continue to call the police on 999. For more information please visit www.iow.gov.uk/earlyhelpassessment

If you have difficulty in understanding this document please contact us on (01983) 821000 and we will do our best to help you.
