DEFIBRILLATOR COLLECTION

We would like to say a huge "thank you" to everyone who has donated so generously to our appeal for funds to replace the battery and pads of the defibrillator that we have in school. As you are aware, this is not just for school use, but also for the wider community that may require assistance. We are still collecting, if you would like to give a donation please see the school office.

SCHOOL TRIPS

We are getting to a very busy time of year when lots of class trips are being organised. Please can we respectfully ask parents to return all slips promptly and make any payments due by the deadline stated in the letter. If you are unable to do this, please speak to the school office **BEFORE** the deadline. Unfortunately school simply does not have the time to "chase up" late replies. If any slips and payments are not received by the deadline, school will presume you do not want your child to go on the trip. Thank you.

Have you seen this week?

The letter inviting Year 4 parents to enjoy lunch with their children on Wednesday 22nd May 2019. Please can all forms be returned via the "Green Box" by Wednesday 15th May 2019. Year R transition to Year 1 letter.

MAY DAY CELEBRATIONS

Well done to our Country Dancers who took part in the May Day Celebrations at Arreton Barns on Monday. They all danced beautifully and were a credit to Summerfields. Thank you to Mrs Stiles for organising this event.

STRATEGIC REVIEW

Currently there is a strategic review of specialist educational places on the Isle of Wight taking place. This includes an on-line questionnaire which they are asking parents and carers of any young people with SEND to take part in. Your responses are really important in helping to make recommendations for the future provision of children and young people with EHCPs. If you would like to take part in the questionnaire they can be downloaded at <https://www.iow.gov.uk/Residents/Care-and-Support/Local-Offer/Special-educational-need-support-services/Childrens-Services-Accessibility-Strategy>. They should then be returned to iow.localoffer@IOW.gov.uk by the end of May.

WATER BOTTLES & COATS!

Just a reminder that children should bring in a water bottle to school every day, especially now the weather might be warming up a bit! However children may also need a coat if the weather is cold or unsettled. Thank you.
