## Useful Information

Dear Parents

We hope you have an enjoyable Easter break and the weather continues to be kind to us so we can get outside for our daily local exercise.

This week the children have had a virtual Easter assembly from Mr Murphy from the Church on the Roundabout. We thought that you might like to see this too, so please find the link to this below:

<https://youtu.be/dno66cKPPec>

Remember when we come back after Easter, children can wear our summer uniform. This is short sleeved summer dresses - light blue, light pink, lilac or yellow - checked or stripped (no red, green or dark blue please) and white socks. Grey shorts can be worn instead of long trousers but these must be with grey socks. Remember white socks should ONLY be worn with summer dresses.

We appreciate summer is on its way and also hairdressers will finally open, but can we please remind you to consider the style of haircut you choose for your child. "Severe" shaved hair cuts and tram lines are not an appropriate style for primary schools, however good they look on Premier Sports Stars.

When we return we will have a new menu from Caterlink. We will now be going back to the three week rotation. A copy of the menu is attached for your reference and is also available on the school's website. In addition to the daily hot meal choice, there is always a vegetarian choice and a choice of either a ham, cheese or tuna baguette.

We have been advised of some very useful guides from the National Online Safety website for children, parents and carers about how to make SOS calls on mobile phones which we thought you may find useful for children who have their own mobile phones:

<https://nationalonlinesafety.com/guides/sos-call>

Keep safe and we look forward to seeing you all again on Monday 12th April 2021.

Kay Wood

Head Teacher
