December 2021

Dear Parents and Carers

As you know we are not going ahead with live performances for our Christmas celebrations. Clearly everyone was looking forward to a more 'normal' approach to the classic nativity and Christingle but sadly this is not possible. As far as we can, we will support parents enjoying seeing their child take part in Christmas events through a recording. Therefore we would like to film the children singing their Christmas songs and Christingle instead. I am writing to tell you of our intentions and seek your permission for this.

Year R - Will record their Christmas song and it will be shared with parents via Class DoJo.

Years 1 and 2 - Will film their Christmas performance and it will be shared with parents via the school's YouTube channel.

Years 3,4,5 and 6 - Will film their Christingle service and this will be shared with parents via the school's YouTube channel.

It is essential that you return the form below either giving permission or requesting that your child is withdrawn from the filming. This form is just for Christmas 2021 and moving forwards, if we are filming and posting in 2022, I will write to you for specific permission for any future events. If we do not receive a completed form by Friday 10th December 2021 we will assume that you **DO NOT** give your consent and your child will be unable to take part in these recordings.

Please do not hesitate to contact me if you have further questions about this request for permission.

Yours sincerely

M. Gartell
